There is a cycle of day and night, and every night there are many to be found and defeated dangerous monsters. Sandbox Orion Advanced Steam charts, data, update history. Advanced Graphics Orion is a sandbox under development where you create your own maps, buildings, and objects. When creating a game, you can use the editor to help you edit your objects. You can also create your own maps and create new views. The game has a sandbox mode where you can create your own maps, and an adventure mode where you can play with other players.
