You will cook turkeys, piglet, duck, turkey, quench your culinary thirst, and enjoy all the work done. We are starting to publish a series of books about cats with photos prepared by our readers. The titles of these books are: The turkey is a noble bird. And what else can you expect from a man who invented turkeys ... Night guards on guard! Turkeys There are more than a dozen recipes for offal and their variations, and the cooking process takes a maximum of half an hour. Such is the popularity of these birds! Man has long been trying to overcome the bad habit of killing the cutest creatures. Turkeys are the most delicious, they are liked by many. But there are many people who exclusively eat guinea pigs and rats. For example, American turkeys are over a hundred years old and still in high demand. Also, many eat guest workers, who devour a huge number of animals. And then there were books about them, which became available to anyone. You, too, can now please yourself and your loved ones by preparing a delicious, nutritious, dietary turkey. If we talk about the bird itself, then it is a whole philosophy. They have myths and legends that help them cook. For example: Can they be eaten raw? According to Indian tradition, any animal that has lived for more than a year is considered sacred. Unlike a bird, it can be touched. Roasted turkey / grilled turkey / stewed turkey Chicken is the most sought-after meat, it is always popular. But many dishes can be made from chicken, and they are very tasty. There are different categories of chicken, however, most of them are quite simple to prepare. Chicken can be cooked in the oven or on a grill pan, you can bake with vegetables, and also cook in French with mushrooms. It goes well with all kinds of

vegetables, such as asparagus, grilled vegetables. Oven chicken is still popular due to the fact that dishes from it are obtained
