Pleasant Stream is located at the junction of U.S. Route 7, Connecticut Route 64, and New York State Route 322. History Pleasant Stream is the name given to the area by the colonial settlers. In 1762, Pleasant Stream was the location for a treaty between the Swedish soldiers and Colonel Enoch Arnow of the Massachusetts Colonial Militia, which was broken by the burning of the town. Field of the Invention The present invention relates to a multi-colour display panel using electrophoretic display elements, which are arranged in a grid pattern on an upper substrate, an inner surface of which is covered by a black color layer. 2. Description of Related Art Conventionally, a display device which uses electrophoretic display elements, i.e., electrophoretic display elements for displaying images, has been proposed in which a display medium is placed in a transparent cell. The electrophoretic display elements, which comprise electrophoretic display elements of two different colours, are arranged to overlap one another in an orthogonal grid pattern. Moreover, the cell is so constructed that an upper substrate, which has the display medium placed thereon, is fixed to an inner surface thereof and an lower substrate is covered by a black color layer. In this way, the cell is so constructed that the display medium is enclosed within 3e33713323
